

ABOUT US

Philosophy

To enable all young people, especially those who need us most, to reach their full potential as productive, caring, responsible citizens.

Goals

1. Provide a positive place for all eligible youth and teens.
2. Provide a safe place for youth/teens to learn and grow.
3. Establish ongoing relationships with caring, adult professionals.
4. To participate in life enhancing programs and character development experiences.
5. Provide hope and opportunity to our youth/teens.
